NATIONAL SKILLS COMPETITION TEST PROJECT

TIME: twelve Hours

Art and Craft

INSTRUCTION TO ALL COMPETITORS

1. Do one question suitable for your application.
2. The twelve hours session will be divided in two six hours.
 - (a) Part one – Preparation of material and application of design
 - (b) Part two – Application, finish and colour.
3. Designs should be illustrated on paper in colour.
4. Competitors must produce work according to the dimension given.
5. All preliminary studies must be submitted.
6. Competitors must not bring completed work to the competition.
7. When necessary, extra time will be allowed where a technique or method used involve the period of drying.

GENERAL SAFETY REQUIREMENTS

1. All competitors must use safety gears when using any hand, powered or machine tools or equipment likely to cause or create fragments that may injure the eyes.
2. Competitors must keep their workspace clear of obstacles and the floor space
clean of material or any items likely to cause accidents.

SCULPTURE

1. Design and execute a three dimensional piece of work on one of the following themes:

(a) Angels

(b) Dancing Figures

Medium can be chosen from any of the following material: clay, metal, hardboard, wire, plaster or wood.

The sculptural piece should not exceed 15inches in height. The piece can either be free-standing or a relief.
